

REMARKS

The Applicants' representative has discovered that the above-identified application filed on September 24, 2001, inadvertently lacked a copy of Figure 1 which is mentioned on page 11 of the application.

The present amendment inserts Figure 1 into the application papers. Support for this amendment is found in the specification at page 134, lines 11-12, wherein the entire specification and claims of JP 2001-85190 are expressly incorporated by reference in the present application.

To establish that the attached Figure 1 is a part of the application papers of JP 2001-85190, there is concurrently submitted herewith a certified copy of this priority document.

Favorable entry is respectfully solicited.

Respectfully submitted,

Yuji ISHIHARA et al.
